The Heritage Fund focus: Remember our history... Revive our vision...Restore our hope

For a young school, we have a rich history of God's faithfulness and provision in guiding our Founding families. Their vision of a school where God's values and God's word form the foundation of learning and lead to academic excellence and character development is needed in our day as much, if not more than it was a decade and a half ago. Today's economy and environment combine to create unique and difficult challenges. We can overcome these challenges by drawing together as a community, making wise decisions, and refocusing our efforts to lead us into the future. Together we must: **Remember our history... Revive our vision...Restore our hope.** This will be the focus of our 2009/2010 Heritage Fund which is the cornerstone of our development strategy. Watch for details to in the revamped *Report Card* and Heritage Fund mailing to your home. We hope you will join us in supporting our mission with a generous gift or pledge to our annual fund.
