The Heritage Fund focus: Remember our history... Revive our vision... Restore our hope

For a young school, we have a rich history of God's faithfulness and provision in guiding our Founding families. Their vision of a school where God's values and God's word form the foundation of learning and lead to academic excellence and character development is needed in our day as much, if not more than it was a decade and a half ago. Today's economy and environment combine to create unique and difficult challenges. We can overcome these challenges by drawing together as a community, making wise decisions, and refocusing our efforts to lead us into the future. Together we must: **Remember our history... Revive our vision... Restore our hope.** This will be the focus of our 2009/2010 Heritage Fund which is the cornerstone of our development strategy. Watch for details to in the revamped *Report Card* and Heritage Fund mailing to your home. We hope you will join us in supporting our mission with a generous gift or pledge to our annual fund.

Brrr....It's getting cold!

As the temperature continues to drop, it is our goal to allow students to have outdoor recess as much as possible. Please make sure that your student has a warm jacket, gloves, and a hat to wear outside. Please label items with your child's name.

Please remember that all sweaters, sweatshirts, and fleece jackets that students plan to wear in the classroom must meet dress code requirements. Students may wear long sleeve t-shirts or turtle necks under their polo shirts as long as they are white or dress code colors. Mock turtle necks are also acceptable.

National Geographic Bee

The National Geographic Bee for the ten qualifying students from CHS will be held Friday, January 15th. A preliminary competition will be conducted by the classroom teachers prior to this event to determine the 10 finalists (2 students per classroom in grades 4th-6th will be chosen). Want to be competitive? Want to build up your geography skills? Start Now!! Visit your local libraries or speak with Mrs. Horton at the CHS library. She has lots of information and can help you get started. Visit the following website www.nationalgeographic.com/geographicbee for more information.

Gift Card Program

Christian Heritage School has a gift card program called "Scrip". It is a fundraising program for the school and also helps parents reduce their tuition costs. The scrip program negotiated discounts from 1% to 18% with participating merchants. CHS will credit half of the percentage to the parents account and the other half goes to the school scholarship program. By the parents shifting their shopping habits and encouraging their neighbors, relatives, and friends to do the same, it is a win-win situation for everyone involved! We are grateful for your participation! If you have any questions, please contact Beth Brech 393-4475 Ext. 603.
